Taking a Step Back...

I have had the honor of
serving as Local President
for the past 18 years. I
started this job when I was
50 years old and am now
age 68. In the beginning I
was working 60+ hours
per week and have con-
sistently worked over my
required hours to get the
job done. With the pass-
ing of my sister on 12-20-
2020 I had to cut back on
my hours and work the
required 40 hours per
week as I had so more to
do at home. I have been to
the offices less and less
because I am tied to the
phones and my computer
at the Union Hall trying to
keep up with members in
need from the plants and
Associate Offices. I keep
thinking that I will catch
up but I never do. I appre-
ciate the members allow-
ing me to serve as presi-
dent for the past 18 years
and I look forward to the
next 3 years as your part-
time Vice President.
